

MURALS CLUB

Advisor: Mrs. Marsh / Room 145

Meets: Tuesdays and Thursdays 2:30-4:30

Members: This club is open to anyone who enjoys being creative and who likes to paint. Just think you get to participate in painting a mural that will remain on the school walls forever. We need all levels of painting skills; it doesn't matter if you've never painted before... we still need you! In fact, we will even teach you. Come join! We'd love for you to become a Mural's Club Member.

Murals Club Purpose:

1. We design and then paint murals on our school walls, which define, promote, and reflect our school's culture. We want to decorate the Schools hallways and walls with artwork and color. Together, we discuss different ideas, collaborate compositional concepts, and design murals. Students are also welcome to design their own murals. We eventually receive consent to produce the murals in approved, designated areas. Then we execute and paint the murals with our best effort and skill.
2. It is the Mural's Club responsibility to make sure our murals and any other school wide artwork uphold our standards. Attendance is not mandatory, but you must commit to a certain amount of hours per mural. Please be aware that large murals are very time consuming. It could take 3 months to finish one mural. And some painting sessions may consist of extend times and dates scheduled and managed by Mrs. Marsh.

Mural Standards:

1. Our murals must be:
 - ~ School appropriate.
 - ~ Painted with the highest quality and skill level.
 - ~ Finished in the time period allotted.
2. The concepts for murals must be:
 - ~ Supportive (of classes, clubs, & curricular activities.)
 - ~ Inspirational (sending positive, meaningful messages.)
 - ~ Fun (amazing, creative ideas that are really cool to look at.)
3. Our murals purpose is to help define, promote, and reflect our school's culture!

Our School Culture:

Our school's educational culture is defined as supportive, respectful, and innovative.

Mural Requirements:

1. All murals must represent our standards.
2. When Murals do not work or no longer work toward our standards, the murals will be altered or changed.
3. It is the Murals Club and Administration who approve murals, paint over murals, and/or change murals. All decisions are based upon the standards.
