

Welcome to the, **A.A.C.Club!**
(The **African American Cougar Club**)

We are pleased that you have chosen to become a member and look forward to your enthusiasm and participation in all of our activities.

A successful group, club or team, is dependent upon the efforts of every member. In order for our club to continue to be successful in it's programming, it will be necessary for each member to commit to the following;

Meeting Attendance – 90% of the time or higher.

We recognize that things happen, but please plan to attend all the meetings.

Please notify the *club secretary* in advance if you know you cannot attend, and why.

Participation – 100% Expected.

Everyone is expected to participate in some way to help with club events, and any needed tasks so that the responsibilities are not one-sided and leaving a few to do the bulk of everything. Your abilities and interest will certainly be taken into account when assigning you a task.

Attitude, Academics, Conduct

This club is open to anyone who is interested regardless of ethnicity.

Mutual respect, keeping academics first and demonstrating appropriate conduct is a must. We want to maintain a responsible image not only as a club, but as students and citizens in our community.

Club Leadership

Those members that have selected to take on a leadership role within the club, have done so with the understanding that your selected role and responsibility is expected of you to maintain, control and be accountable for. Everyone in the club is asked to be willing to help anyone needing assistance with any tasks to make things as easy as possible for everyone.

Take your leadership role seriously. We need to be able to rely on you to take care of your area of responsibility.

It is the hope of this club, that the experience is one that will be enjoyed.

By signing below, you are saying you will be committed to the guidelines set forth and represent the club with dignity and respect.
